

10/15/25

Aloha,

Beginning November 24th and continuing through December 19th, 2025, D.C. Asphalt will be repaving our property parking lot, including all stalls.

The area during each phase (see map) will be closed until completion. Only residents in the scheduled phase may use the visitor stalls not located in the phase area and may also park along the red curb, where signs will be posted.

Please ensure that other stalls and mailboxes are not blocked, and fire hydrants are accessible.

We appreciate your patience and cooperation.

Mahalo,

Merle Smith
