
VILLAGES AT WAIPIO AOA
REQUEST FOR GATE INSTALLATION

Return completed form to:

Merle Smith - Resident Manager
94-1491 Waipio Uka St.
Waipahu, HI 96797

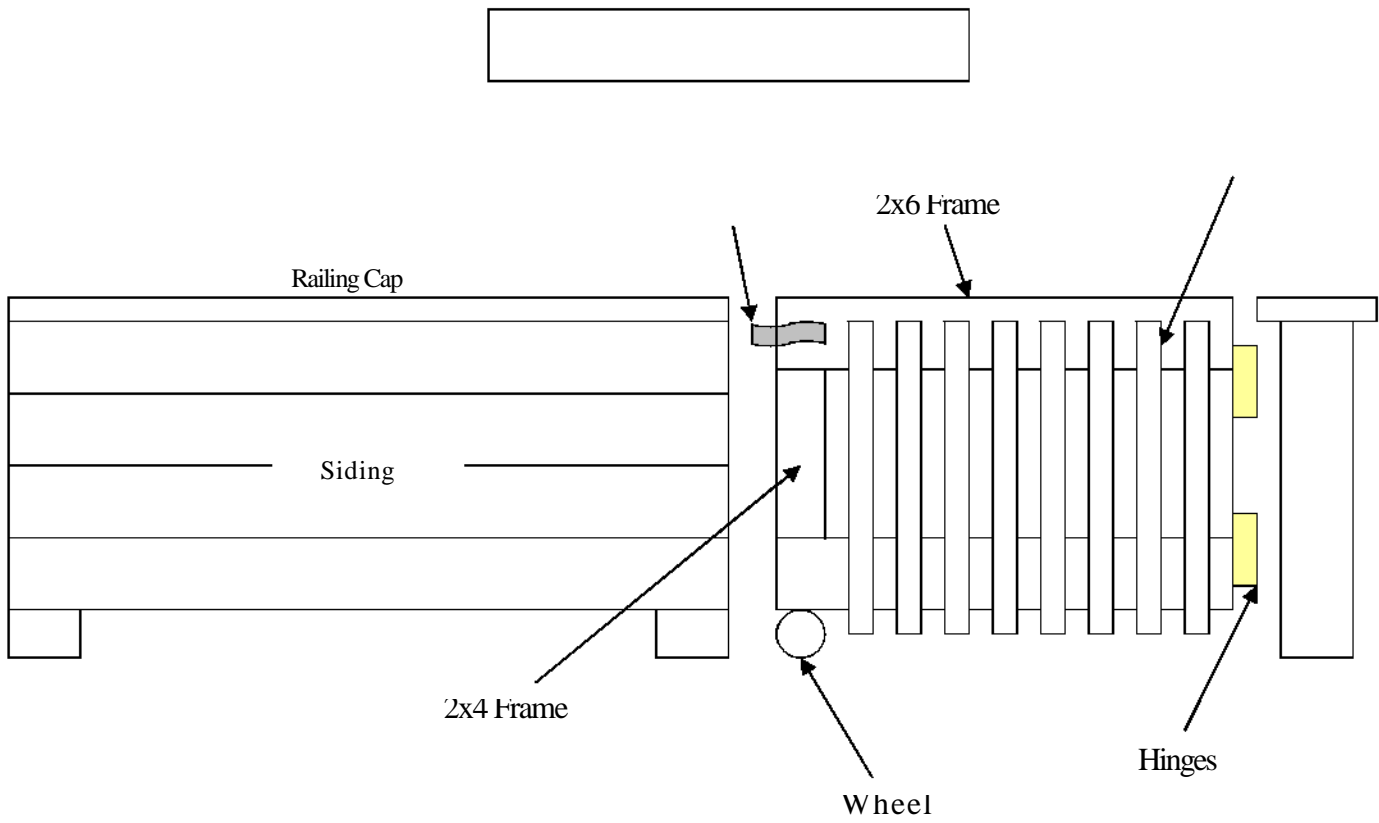

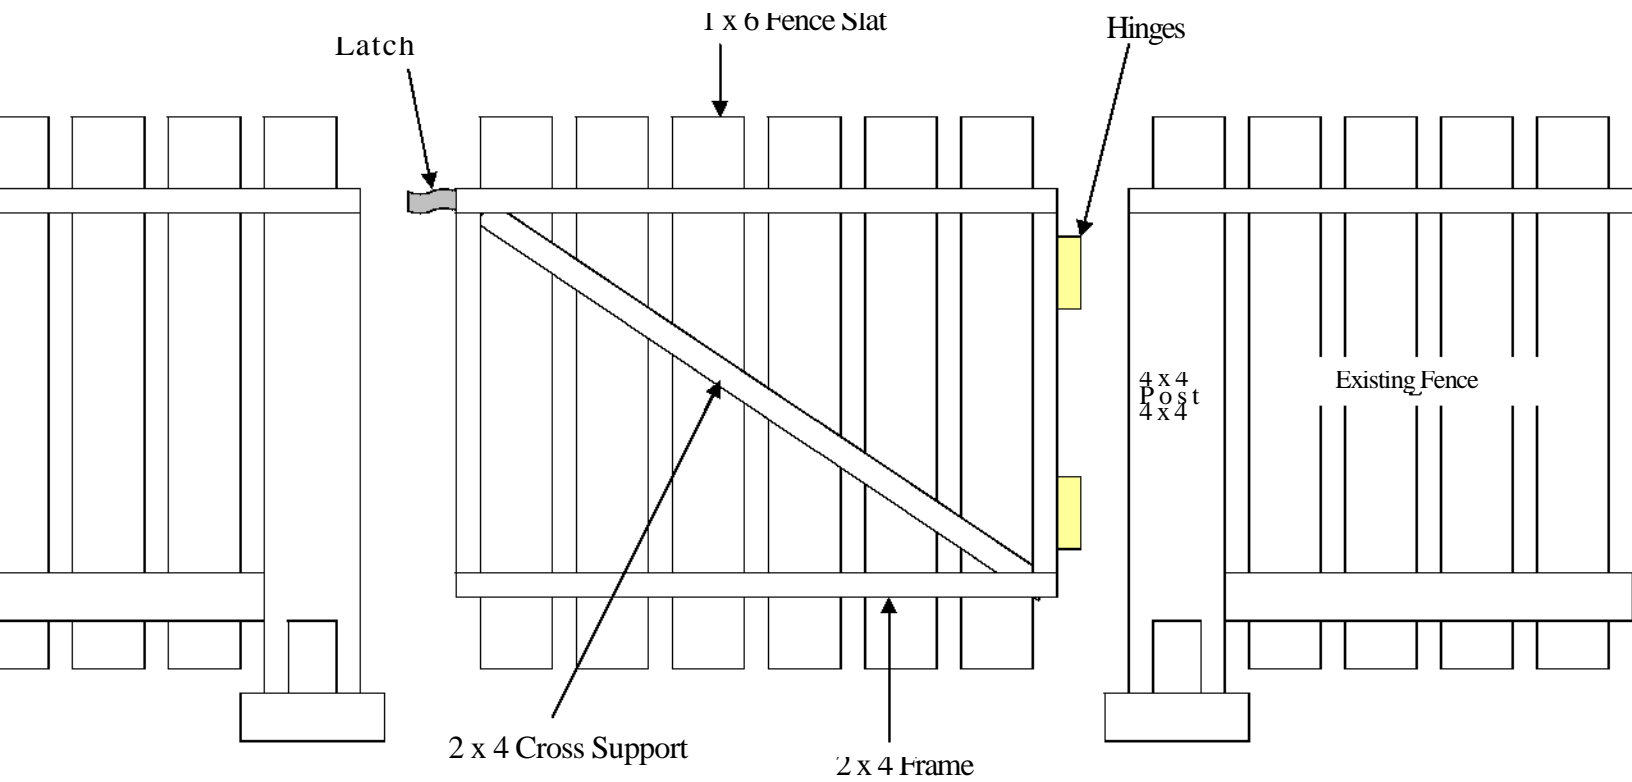

1. Gates must be made of treated lumber.
2. All wood must be painted white (*see Resident Manager for paint*).
3. On 2nd Story gates, a wheel must be installed on the latch side. (*This will take the weight off the hinged side*)
4. The owner may build and install the gate according to the design set forth in this application. After the gate is installed, it will be inspected by the Resident Manager or an Association representative.
5. Damage to your unit, individuals and/or any other unit or common element, resulting from the installation or subsequent removal of the gate is the Owner's responsibility.
6. In the event of sale of the unit, all responsibilities herein will be conveyed to the new Owners. A copy of this approved request should be retained in your files.
7. Approval or disapproval of this application is for aesthetic purposes only, and does not in any way indicate any opinion of safety, structural quality or soundness of the building plan.
